The Premises:

Nice quite flat in Earls Court area, quite street, spacious inside, clean and tidy. Showers were fine etc.

The Lady:

Macaroon looks exactly like her pictures. She's only 21 years old, so she's very fresh looking and doesn't need a lot of editing on her pictures I wouldn't imagine. A real looker. She speaks excellent English and she's very funny to be around. Her body is amazing, very firm and sexy. She is very small, much shorter than I imagined! Beautiful!

The Story:

Macaroon (not her real name!) was wearing what looked like a gymnast's costume. It was like a black leotard with a black mini skirt fringe to it. Her ass looked fabulous in it. she didn't mind giving me a little twirl to show off. She's very flexible too. She is actually a gymnast, or at least she was in Russia. I was quite overwhelmed by how small she was, and perfectly slim and toned. Very impressed. She started with lots of sweet little kisses, being very affectionate etc. and soon it was onto the bed for some OWO action.

This was pretty impressive considering her small size. She certainly handled my old chap quite well, she got quite a lot in her mouth (I've yet to find an escort who can get it all in, I'm not small). She has a nice technique and she sat at my side, allowing me to play with her pussy at the same time. Very hot! She then moved to straddle me and rub her pussy along the length of my cock and feel my chest. She came in this position and it was very horny indeed. Then we covered up and she rode me for a while. She couldn't go all the way down onto my dick however, without it shocking her a little. I actually wish she did in this position actually, because I think she would have really liked it, since she let me thrust all the way in towards the end. Her boobs are tiny, like the rest of her, but very sensitive and perky.

We switched position to missionary where she held me tight and moaned in what I can only assume was real pleasure, because she came again, quite hard. She feels like a doll, literally, so small and manoeuvrable, it's very hot! Final position was one of my favourites. She laid on her front and and took her from behind. Felt so tight it was fantastic. However, it had been a long day, and I'd already

seen a girl earlier on in the afternoon! So I just ran out of steam. Macaroon finished me off with some more lovely OWO and then a nice oily hand job whilst she snuggled up against me. Stayed like this for what seemed like ages after, chatting and having a laugh. She's a great girl!
