### The Premises:

Easy to find apartment close to tube station in Bayswater, quiet enough street, everyone minding their own business. Clean and tidy inside, small but comfortable. Nice lighting and mood. Shower was good.

### The Lady:

Eda is amazing to look at! Looks just like her pictures, her hair is the same. I think she has been blonde and brunette in the past, but now it's a very clear grey in colour. Not reflecting her age however, she's about mid twenties I'd say, so the website isn't far off. Her English isn't too bad either.

### The Story:

Eda was wearing a lovely black lacy all in one body thing, that was very open at the front, exposing her massive boobs. These things may be enhanced, but they look great. You can feel that they are when you have a good squeeze, but they still feel great. The rest of her body is slim and attractive, with a nice all over tan. she has a cute little tattoo of a pussy, over her pussy! Very nice touch, and quite sexy too.

Her OWO is very good, despite the fact that the poor girl had a bit of a cold. She was very attentive to the old chap and tried her very best. Felt good. Nice and wet and quite deep. We enjoyed sex in a number of positions, but my size troubled her a few times, so took it steady. We found that spooning was the best for us both in these circumstances and she really enjoyed this, allowing me to reach around and grab those massive boobs. She's a very sexy woman, likes to make all the right noises etc. Her on her front with her boobs out to either side was particularly nice towards the end, where I could go a little further. Finished me off with some OWO and let me CIM to finish. A very nice finish too, I might add.

A lovely girl, I'm not usually a fan of fake boobs, but I had to try Eda, I've been wanting to for a while, and I'm glad I finally did.
