The Premises:

Easy to find, near the station. Seemed to be where the phones were.

The Lady:

Description is accurate, blonde, petite, no tattoos. Has implants meaning bottom of the bust feels saggy. Does seem to have a lot of cosmetic work done ie lips, bust, a few other bits noted but all in positive way.

The Story:

It was an odd experience in that we did not seem to have a lot of chemistry. Seemed to be a bit of a let down, she did try but I don't know what it was. Very much felt like a conveyor belt service, she was happy to french kiss but no real passion through which was probably why it felt like a let down.

Having read the previous reviews, maybe I was expecting too much from her. Did seem to be watching the clock frequently but again not sure if that was from the session or not.

I don't think I would see her again maybe go for Serena or Selina who probably wants to make more of an effort rather than feel like another customer with lots of fake orgasms
