- Fairly attractive (Not the one in the profile advertised)

The Story:

Initial comms was fairly decent by txt messages. I arrive 10 minutes early & message to say I'm outside. Few minutes later. The lady replied with the house number. As soon as she opened the door I knew that it was not the woman in the profile picture as advertised, so I pulled out my phone & showed her the picture of the lady that I agreed to see. She very rudely says to me "she's not available as she is on an outcall" so you will have to see me". I replied back "No thank you as you're not the person I agreed to see & you should not be falsely mis-leading people". I then left.

It was a good half hour drive, so I was naturally left very disappointed.

I would strongly advise that you would not book this lady as she is clearly unreliable.
