The Story:

Saw this babe when she landed in London. There was chemistry. From reading other reports elsewhere I think your experience will depend on if she likes you and various intangibles. But for me this is all good because it just means she's a real person; and i've still got it ;-)

Rocked up. Handed over 200 plus a bottle of fizz. Straight in nice Grohe shower. Came out. A little banter and get to know you. She's not a fulltime SP.

OWO, every position known to man and beast, some real passion; and a CIM finish for an extra 50.

BOOM.

(Rate has now gone up but tbh it's the right rate now)
