The Lady:

Stunning, slender, blonde British girl, looks mid to late twenties, better in real life than the photos shown on website suggest

The Story:

I am a picky punter.

I've been disappointed many times by girls that look 10 years older than their photos suggest, considerably 'heavier' and either can't speak English or talk like they are cast on Eastenders.

These are common issues in the wicked world of punts and we all know it's true.

I was half expecting this to be one of those occasions, (perhaps I'm becoming rather incredulous in my old age)

I arrived on time and was greeted by the ever so delightful maid and led into a bedroom.

Liv startled me as she entered the room, I certainly wasn't expecting her to look like that, I even felt somewhat shy all of a sudden.

She is beautiful.

Her smile is radiant with perfect white teeth and she's very nicely spoken and elegant.

Looking very sexy in blue lingerie and hold ups, she gave me a huge hug and planted a kiss on my lips before asking me what kind of things I like..

I told her I wanted to enjoy her in all of her entirety! She smiled looked deep into my eyes and

kissed me passionately before we began to slowly disrobe and explore each other bodies.

She has lovely augmented tits, big and soft,. . On par with the best fake ones I have experienced..

I like owo which she was happy to oblige with a nice sloppy wet blow job. The kind wet dreams are made of!

I even didn't need to ask for DT, she just proceeded to do it and is v good indeed.

I had beautiful big eyes looking up at me with a mischievous glint, asking me if I like it deep. God I think I just died and went to heaven.

I returned the favor by giving her RO which she enjoyed and then we shifted nicely into 69 position. She is absolutely delicious in every way.

We wrapped up my little man and had sex with her on top, then switched places while she grabbed a pillow and propped it underneath her hips to lift them up and in line with my cock. I penetrated her deeply while her ankles rested happily on my shoulders. What a difference geometry can make! She is tight down there but clearly enjoys being fucked. I ended up cuming immensely hard! What an auspicious half an hour, top punt and a definite repeat.
