The Story:

Arrived at property expecting Tanya. Went into house and the lady opened the door. Immediately I could tell it wasn't Tanya. I said to her that you look different to your pictures. She said she's just got out the shower I showed her the picture and said that this girl on the advert doesn't have a tattoo. She goes it's because I have been in the shower. I say I'm going to leave and she says she wants £20. I argue saying how I never wanted to see her and she's miss represented on the site. She then blocks the door so I hand over the money and she tells me to watch my back. The women is a right nasty piece of work. Avoid at all costs.
