The Premises:

After joining the HOD squad (figuratively) this morning with a positive visit to HOD1. My punting style meant one lady would not be enough even if it was the beautiful Gabriella. So a hopeful phone call whilst I was lurking by the Barons Court flower shop and spied by aforementioned Gabriela to HOD2 generated this punt with Elizabeth. I essentially left it to the receptionist to decide which paid dividends even though it was only my laid back style and dithering that enabled her to make a decision for me. She chose well. Found the basement flat fine.

The Lady:

Tall perfectly proportioned lass. Lovely ass length hair. Carries herself very well. Mixture of confidence, sassy, witty. Somehow worked out I'd been fucking her mate Gabriela at the other venue only an hour or so before.

The Story:

Walks in. Nice meet and greet. Confident but respectful. She looks great in the full lingerie ensemble. Her legs and hair are stand outs. Natural body. No fat. I'd give her 10/10 personally and looks. She is moderately inked mainly concentrated on one arm and it suits her style. We ducked in standing doggy with her in her cerise stilettos. And she kindly untied her ass length hair so it cascaded down towards my cock. Prior to this I enjoyed kneeling and licking her pretty, sweet pussy. And in between there was an intense session of 69. Basically I've had two perfect parkour experiences today. Will obviously try to engineer a duo with these two at some stage. Well done HOD and the ladies.

Ah, unlike some of u donuts.. to me it's not about being prescriptive. Especially when there is chemistry. And especially when the lady acts like a lady. So what a joy then when I said I'm ready to cum, do it however u want. And done how she did the perfect finish for me which was squatting with me standing in front of the mirror. Fantastic OWO. Great technique. Maximal effort. And a wonderful CIM.

Bit of a chat. No awkwardness. And of course I'd love to see her again.

10/10
