The Lady:

I was very impressed and turned on instantly, as soon as she walked into the room. Sexy looking girl and amazing breasts.

I couldnt take me eyes off of her sexy face.

The Story:

Faye has a great, fun personaility. We started off by standing and hugging, which led into gentle sensual kissing and caressing. She worked her way down and gave me a great blowjob. We then moved onto the bed where she continued the bj and became more naughty. Liked the fact she can transition from a passionate/sensual to very naughty pornstar like bj. She then moved into cowgirl position. Nice, tight pussy and loved watching/touching her breast as she rode me. Then moved into doggy and came. She has the whole package, sexy lady that can be naughty and nice and can switch between gfe and pornstar like experience. Definatly will see her again, very soon. Well recommended.
