The Premises:

Clean pleasant two bedroom one bathroom basement level flat located on a main but quiet road in Victoria.

The Lady:

Extremely beautiful young woman with an outstanding body that she clearly takes care of. Large yet perky breasts, beautiful hips and a wonderful tight, responsive vagina. Her pictures on the site are accurate but really she is so much better in person.

The Story:

I really cannot recommend Danielle enough. I was taken aback by just how beautiful she is when she entered the room. Handed her the money and started off with a standing blowjob next to the mirror. Danielle clearly knows how to handle a cock and I had to stop her before I came to a premature conclusion such was her skill. Things then moved to the bed for some foreplay composed mainly of FK and fingering with Danielle quickly becoming extremely wet. She experienced the first of quite a few orgasms just from fingering and repeatedly assured me that she does not fake orgasming and could hardly fake becoming so wet and her nipples becoming so erect in my presence so clearly I was doing something right. RO was next on the menu and Danielle once again seemed to experience a few orgasms which left her insisting on returning the favour by going down on me once again this time with both of us laying on the bed. We then moved onto sex in many different positions finishing up with another blowjob whilst I fingered Danielle as I experienced a very powerful CIM finish.

The remaining time was spent chatting away with Danielle which for me was just as satisfying as the sex as she is so refreshingly down to earth and switched on. She managed to leave me feeling totally physically and emotionally fulfilled and being with Danielle is easily the best experience that I have had with a woman so far.

Danielle strikes me as being a woman who genuinely loves what she does and really does aim to please in every foreseeable way. I cannot recommend her enough and just want to say thank you so much Danielle for just being yourself. Please never change, you're perfect just as you are!
