The Lady:

Beautiful girl quiet young around her 20's she looks quiet matching to the photos had a quiet amazing body with very nice and sturdy tits she is a bit tall too but the lovely curves on her matched perfectly.

The Story:

annie came around my place at 1:30 in the morning she was completely alert and willing to fulfill all of my desires she looked beautiful, we came inside and a little drink before going any further it was enough to get to know her a little better although we didn't talk a lot the connection we had was great we bonded very well, and well when things finally got any further it was more than exceptional she really knows how to do her thing and when you feel so relaxed around someone it gets even better.
