### The Lady:

Lady in her early 20's blonde hair with a figure that I like

Lovely sized breasts, lovey peachy bottom

### The Story:

Have been trying to visit Simona for some weeks but as usual the opportunity never arose but it was worth the wait.

She is Italian one of the reasons I had my eye on her for a while

In came this lovely stunning lady and my jaw dropped

Handed over the paper work and we undressed

Had I known I would have booked an hour as the sex we was that good, it was non rushed which is always good.

I'm not going into any in depth details in what we did in our time together but it was the best sex I've had in years

I felt at the end that she enjoyed the experience as much as I did.

I will certainly see her again and soon
