The Story:

I don't normally write reviews as most girls have many of these and in my experience they usually seem to be fairly accurate.

However, my experience with Dominique was totally opposite to others that I have read on here. I won't go into graphic details but the Dominique offered the barest minimum of services without any enthusiasm. I felt that she was just going through the motions and wanted to finish things as quickly as possible.

I've been punting for many many years in MK at Annabellas and MKE and the service I received today was well below the usual high standards from these establishments. I'm afraid to say that it is one of the worst punts that I have experienced.
