The Premises:

A basement flat near Earls Court Station. Perfectly respectable. The bedroom is comfortable and pleasant. The bathroom is adequate.

The Lady:

Charm has gained a few years and a few pounds since the photos. That would normally be a big disappointment, but she is so welcoming that such feelings were immediately forgotten. She has a wonderful smile, huge sensuality and delightful natural assets. She is well-naked - charming in every conceivable way.

The Story:

The hello kiss lasted a long time. Some are reluctant and some are over the top energetic. Charm is perfect. Our lips and tongues explored and teased. My hands wandered. Eventually we broke off to attend to paperwork. Charm provided a glass of wine. Then business resumed.

We adjourned to the bathroom where a warm bath was waiting. I have some experience of shared baths with Thai ladies and have found them variable. This was the best of the lot by a long way.

And so to bed. Prolonged RO and 69 before Charm climbed on top. Energetic, appreciative and altogether fabulous. Then a really good massage.

I have visited twice in the last few weeks, which is unusual for me. That is a real recommendation.
