The Premises:

A nice and easy to find place in South Kensington. Nice apartment, clean and tidy with nice facilities.

The Lady:

Cleo is just as she appears in her pictures, very pretty, her age is about right too. Slim and with very big boobs! There may be a little photoshopping going on, but she still looks just like the girl in the pictures.

The Story:

I love natural boobs, even when they hang a little down, and Cleo's do a bit. But not so that it would put any big tit fans off I'm sure. It certainly didn't put me off. They look lovely and I couldn't stop playing with them. We started off with OWO which is very nice with her nice big lips, nice and wet. Not too deep, but deep enough. She pushed the old chap between her tits a little too now and then, and shifted position so I could get to grips with those boobs better.

Sex had to be in cowgirl really, didn't it? I cupped those boobs as she rode me and sucked on them and generally behaved like a kid in a candy store. She's nice and tight and rides like she's on a pony too, so it was all good. Switched to missionary and couldn't make it too long watching those boobs wobbling around before I felt like I was going to pop. However, I had to turn her over and do her from behind at least for a little, so I did. Didn't take too long before I felt like I was going to cum, especially with her feeling so tight with her legs closed and her boobs out to either side and her head in the pillow! She finished me off with some more OWO!

A great experience, well worth the fee. She's not a big talker, but speaks good English. Would recommend
