The Premises:

Easy to find location in Earls Court, very close to tube station. Comfortable, warm and very tidy. Nice facilities etc.

The Lady:

She's definitely the same girl in the pictures, but there is some enhancing going on. Also her hair isn't as straight, or as long as it appears in her pictures. It's got some curls in it now, and some blue highlights. She looks very nice, a pleasant woman, I'd put her at mid-40s, very attentive, but her English is not great.

The Story:

Hellen was wearing a short, blue dress with high heels. She has a great pair of legs for her age; I mean, seriously nice! She was a last minute recommendation because I actually tried to see another mature lady at Babylon, but she wasn't available. I'm not sorry that I saw Hellen though! This is another woman with whom I didn't actually have sex! Unbelievable actually, considering my history with escorts. I've done this a couple of times lately, but still had a wonderful time (arguably better than some full sessions!)

It was the best blow job I've had in years, I kid you not! There aren't really words capable of describing it really. She kept looking at me in the eye and smiling, and really seemed as though giving me pleasure was giving her just as much (well, not literally as much!) She did this in several different positions too, to give me a different view. She has a nice body, it's obviously the body of an older woman, with a more natural look, but it's very nice indeed. Nice natural boobs to play with whilst she sucked me off too.

It was her technique that really impressed me. Wet, and intermittently very deep, and sliding her lips up and down. When she went deep it wasn't struggled either and at virtually full depth (and I'm long!) she then moved her mouth around, tongue and teeth stroking gently around the old chap whilst it was right in there. Lovely stuff, really lovely stuff, and reserved I think to those escorts with experience like this. I honestly didn't have the heart to stop her and pursue sex. I just wanted this experience to go on and on, and of course it couldn't. Although it did last long enough for me to have an amazing time. I didn't cum in her mouth, but she jerked it out quickly and made me cum

real hard.

Ended the session with a nice massage and a little chatting. The conversation isn't great because she can't speak much English. German and something else I recall her saying, but I don't remember.

I would go back to see her and try out some sex, but I'm not sure I'd make it past the blowjob!
