### The Premises:

### The Lady:

Fit fit fit!!! Massive natural tits

### The Story:

Was well impressed when Nomeda walked in, she's super fit. Not seen such big natural tits on such a small slim girl either, and well enjoyed having her give me an amazing tit wank with them as she gobbed all over my dick. She's small so easy to throw around and put in loads of different positions. Can see why she's in the top 20, she knows what she's doing and leaves you satisfied. Go for it lads!
