The Premises:

Her flat was easy to get to and smelt absolutely lovely. The whole process was spotless and I had apartment envy when it was time to leave.

The Lady:

Adalina's curves are to die for and she looked even better than her photos. Her breasts were perky and her naked body looked great on top of me.

The Story:

Adalina was a gem. she made me feel so welcome and even managed to crack a few jokes to make me feel more comfortable before we spoke about what it was that I enjoyed and was looking for. Her body was absolutely stunning and I found myself wondering why she hadn't become a model yet. Her whole demeanour was calming and she definitely knew what she was doing in the bedroom. When I turned up, she opened the door with a smile and pulled me straight into the bedroom to talk about what I wanted. She then got straight on with it and blew my mind with her technique. She took control of me straight away and I couldn't take my eyes off her throughout the session. I will definitely be using her again.
