The Premises:

Briela's place wasn't much to look at but was completely clean and done the exact job that I needed it to. It was easy to get to and not far from the station at all.

The Lady:

Briela is a small beautiful blonde with youthful breasts and an amazing bum, she looks exactly like her photos and does not dissappoint.

The Story:

Briela was a really nice girl who made me feel instantly comfortable when I entered her apartment. We had a brief talk over a soft drink to make sure she understood what I wanted and how she can make the experience as good as possible for me. She then went about undressing me and kissing me. She was very experienced at everything I asked for and I will definitely be calling her again. Briela's body is absolutely stunning and the whole experience was something I would love to do again. Once we were both naked she made me get on top and told me exactly what I wanted to hear. She seemed like she enjoyed the experience almost as much as me and when she got on top she really gave me something to remember. I left wanting more.
