The Story:

AVOID LIKE THE PLAGUE GUYS!

This experience has put me off Brazilian ladies. Finding their services leave a lot to be desired of late and this experience compounded it for me.

Shown in and money slipped to someone hiding behind bathroom door. She got straight down to business and rushed everything to get me to cum. Then made it clear she was tired and put no effort in to try round 2 so I left early.

Poor service and attitude, don't waste your money.
