### The Premises:

Feels safe and pleasant. Girls are smiling and happy.

### The Lady:

Very very beautiful, lovely shape and flawless.

### The Story:

Nicola is just gorgeous- what matters in any role is attitude and approach, and she just oozes positivity and attention.

We always start with lovely deep kissing and caressing, then some mutual (mirror) touching etc and move on to more!

She is my number one choice every time - gives full attention and just gives total attention.

On this occasion I was in a go-slow mood and she read this and didn't race me through!

Our session included wonderful owo and a final facial - and Nicola always kisses and cuddles after the event which is so much appreciated. No rushing to the door!

Simply wonderful and totally gorgeous.

See you ASAP Nicola.
