The Premises:

Area with loads of flats near train station so easy to get too, there is parking but you need to find a visitors parking bay.

Flat it's self is nice and clean lots of room good facilities.

The Lady:

Millie is way better than her current photos suggest, she has a great body and is a beautiful black lady with great lips. If you like T&A she has both and they are great full breaths of a great size not over the top but big enough to make anyone happy. She has a great ass nice and tight.

The Story:

I have meet Millie a few years ago and was worried time had changed her but I was very happy to find that time has basically passed her by she is still as good looking and as fit as can be. She has one of the best asses in the business and when it is bent over you can do nothing but smack it or stare at it.

The lady knows her job and basically if you are nice to her she will be very nice to you I have been lucky enough to sample a number of her services and nothing so far has made me regret seeing her and asking. everything she does is to the highest level and the biggest issue is trying not to cum to early before you sample the entire services on offer.

To anyone who has ever thought about seeing a lady then I must say, you could never go wrong with Mille for first timers or experienced geneltmen she offers something for everyone. Do you want girlfriend she can be the most sweetest and attentive girl you ever meet. Want something a little more naughty and guess what she becomes that too any mode you are in she can accomdrdate and become your dream for the time you have with her.

Not rushed and offered shower etc just a very classy lady.

Treat her nice and you will get her best.
