The Premises:

Compact but well presented. Clean and tidy. Actually quite homely and well furnished! Car parked on street around the corner.

The Lady:

New girl to the premises. It was her first day! Lily looked about mid to late 20s, dyed blonde hair, white and about 5'8". Lean build and pretty enough for me. Nice sweet girl with good attitude.

The Story:

So, this is my very first review of any punt, and also my first review of The Office. I've been to several other parlours elsewhere, and this is about the 6th time I've used one.... I was still a bit nervous though.

Lily put me at ease straight away, quite a warm and friendly girl and so we went straight into touching and playing with each other. She agreed to a 69 and OWO which was nice. Her shaved pussy and tits are worthy of a good sucking and licking. She equally obliged on my cock. We kissed a fair bit too. Timekeeping was quite chilled out and relaxed unlike some others I've been to. We did a few positions and ultimately as I wasn't quite ready I had to jack off in front of her while she jilled: legs wide apart.

Afterwards was a bit of pleasant chat and we had a kiss and hug.

Overall I enjoyed it although I wish I wasn't as nervous. I'll see her again hopefully and sort it out properly!
