### The Premises:

### The Lady:

Personally would say her photos don't do her any justice and she looks sexy in them... Long legs, curvaceous body, great bust and juicy long legs! Think she may be older than stated on the website which is 21 i'd say more 23/24.

### The Story:

Good evening spent with Claudia, arrived on time and could tell she made the effort, red dress and red heels to match, she greeted me with a kiss on the cheek and came into my room.

She is a very submissive girl and a great girl if you are into role-play she really knows how to get you going, a real tease.

Claudia is very open-minded and we did many positions from missionary to reverse cowgirl and what a great rider she is.
