Wow! Jess is absolutely stunning! Think of Jordana Brewster and you would not be far off! Amazing body, beautiful eyes. And a really nice smile.

The Story:

This was the third time I've seen Jess, and it keeps getting better! The first visit she was a little reserved. We had only just met, and I'm not exactly the most good looking of blokes, ugly fatty if I'm being honest, but she never made me feel uncomfortable.

The second visit was even better. Her personality really came through and my oh my can she ride!!! Her cowgirl technique is amazing. And her body moving on top of you is truly stunning!

This third visit was out of this world. Every time I see her she gets even more good looking! Usual trio of positions, cowgirl, doggie and missionary, then finished with a hand job, and what a climax, I literally exploded!!

Jess is gorgeous, and we really got on even more with this visit. She has a really lovely personality. The key is to be nice, and you get nice back. I look forward to seeing her again! Maybe a duo with Gabriella if the stars ever align for me lol!
