### The Premises:

### The Lady:

ellie looks like the pictures tall slim girl at around her 20's and something she matches the photos but it does contain a bit of photoshop

### The Story:

ellie met me at my place at 2 am she was dressed very well seemed very polite and all we got inside and jumped straight to the action she seemed a bit distracted tho but it was a good performance maybe it was due to the time I called her in but overall I liked it very much.
