### The Story:

Usual HoD set up for me. Call and book a few days in advance to secure a slot, text to confirm on the day. Couldn't be easier. Arrived a couple of minutes early and was offered the choice of rooms. My first ever HoD visit a few years ago was to the larger back room in Victoria. I've not been in that room since so it was nice to return. Offered a choice of drinks but I had brought a bottle of water with me. A bit of banter with the lovely and friendly maid who was doing her utmost to make me feel welcome. So as not to offend I accepted a glass of orange juice. The HoD maids really are unsung heroes and contribute greatly to the whole experience. (A bit of a maid Twitter feature perhaps HoD?)

After the briefest of waits Dollar entered the room looking incredible in a sheer see through red dress and absolute killer heels.

Wow this young lady is seriously hot. Great profile pictures and even better ones posted on Twitter but none capture her amazingly naughty and cheeky smile. Dollar also has the most amazing dark eyes which I could look at all day. A brief introduction and a reassurance about where the killer heels may or may not end up and off into lovely kissing. Dollar doesn't hold back and is a really generous kisser. Dollar asked what services I was looking for and being the boring git that I am I was happy for some oral both ways and sex in a few positions. More kissing before Dollar asked if I wanted oral with or without? Without please was the answer and christ this young lady has some oral skills. One of the best blow jobs I've had with a variety of speed and depth. Dollar then applied lots of saliva to the end of my cock before blowing on it to create the most amazing cold feeling, a fucking incredible and highly erotic sensation. Into 69 so I could savour her lovely pussy before sex in multiple positions. God this young lady has one of the tightest pussy's I've ever fucked and her

muscle control was driving me insane. Highlight for me was Cowgirl. Seeing this gorgeous young 21 year old going up and down on my cock with her amazing natural tits in my face epitomises exactly why I love seeing escorts. Its hardly ever going happen in civy life so the whole escort experience is even more welcomed and very much appreciated. With time going on and Dollar's energy levels far exceeding mine she finished me off over her tits with a mix of hand and oral relief.

After a quick clean up we chatted for a while about the HoD set up and some of Dollar's friends and mutual acquaintances that I've been lucky enough to see. No doubts at all that this young lady is up there with the best of them. I could have chatted all afternoon but I had already ran over my time. A quick hello to Dollar's good friend Adrienne on the way out and I left with a huge smile on my face (must see the two of them together some time) So incredible is this young lady she should change her name to Million Dollars. Thank you for an amazing time Dollar, great to see you xx
