The Premises:

Short stroll from West Ken tube (District Line). Quiet, well appointed street. Very steep steps to basement flat, will not suit those with mobility problems. Small en suite bedroom, clean and tidy.

The Lady:

Jailyn - black beauty, curvaceous and pretty.

Liv - Amazonian blonde bombshell, busty, curvy.

Kristen - Slim EE babe with gorgeous rack.

The Story:

Felt greedy so went for a 4some with these three fantastic ladies. We acted out a role play I was keen to do, and all three girls were great! Too much went on to detail here, but Jailyn has the cocksucking skillz, Liv takes a hard cock from behind with great pleasure and Kristen's wanking technique is exquisite. Finished by spurting over the three of them...there was another dimension to this but that must remain a secret:-) Fantastic time was had and all three girls are recommended.
