The Premises:

A modern first floor flat in Plumstead High Street. It wasn't very discreet, but I wasn't kept waiting on the street very long.

The Lady:

A very attractive East European lady, probably early thirties, dress size 10 with natural 34C breasts.

The Story:

When the door opened I thought the maid had let me in. She looked very classy and attractive and I was very happy when I realized this was Paula. It was a very small flat. There was a kitchen just the other side of where the bed was located and there was another room upstairs. I could hear another girl.

Paula undressed to reveal her ample breasts. They were soft and natural and a lovely handful. She then gave me a short, but enjoyable uncovered oral session and then she put the condom on and we had sex with her on top followed by doggy position. I was relaxed throughout and it took me a while before coming.
