The Premises:

Nice apartment in South Kensington, very easy to find, discreet, good shower facilities and clean towels.

The Lady:

Ima looks like her pictures, they're accurate enough. She's in her early to mid 20s I think. She looks a little fuller in the face in person and she has a little bit more around the middle. She says she put on a little weight since she went home a while ago. Personally, I didn't find it anything to worry about, and she could certainly handle a little more. Lovely girl that I would happily recommend.

The Story:

Well, I'm ashamed to say that this was another of my bookings where I couldn't make it past the blowjob! But I have no regrets whatsoever! This has to be in my top ten, or maybe even top five blow jobs of all time I think.

When she answered the door to me, she looked great. She was wearing a purple bodysuit in a kind of crushed velvet material. Not sure what you call them actually, but it had those poppers between the legs and it was nice and tight across her boobs. She had heels on and a pretty face and that was it. After my shower I sat on the edge of the bed, whilst she did a very sexy little lapdance type of thing for me. Whilst she did this, she took off her underwear and rubbed herself against my old chap. She is very sexy and nice and confident sexually.

She took a pillow from the bed and knelt on it, then began what I said, some of the best OWO I've had. Just the right amount of wet, working all over it, alternating technique and kept me guessing with how deep she was going etc. she's one of the only ones who can get quite a lot of my old chap in her mouth. She makes all the right noises too, she's eager and looked me in the eye. I'm sorry, I just couldn't take it after a while. She made it last though, I'll give her that. Pulled out and she jerked me all over her face and tits. Absolutely fantastic experience that'd I'd pay for time and time again.

Ima is a very bright young thing too. She speaks great English, has some interesting insights and stories and I thoroughly enjoyed chatting with her. Things started moving for me again towards the end and I would have happily gone again, but there wasn't enough time sadly. I would certainly consider another visit.
