The Story:

Called on the spur of the moment as I needed cheering up because of some personal family issues. I had seen and read Mina's profile several times but because of some less than exceptional first time experiences I was a little apprehensive. I needn't have been. Fortunately for me, I was told that Mina was available. I arrived at the apartment on time and was let in immediately by Mina herself. Mina offered me a drink and then disappeared briefly before returning and immediately we were into deep french kissing. Very nice. Mina led me onto the bed and we had a brief chat about what had led me to visit today. Mina was very understanding and promised to help me raise my spirits. This she did exceptionally well. She removed her clothing so that we were both naked. I liked what I saw and she knew it from my facial expression. I loved her tits, natural, full and soft. We kissed some more whilst I explored her body and when I suggested 69 Mina rapidly got her beautiful pussy over my face and started to suck my cock like it was her favourite lollypop. Fuck it felt so good. Proper wet, sloppy sucking, varying between deep and rapid and slow and sensual. I was in heaven. Her pussy tasted so sweet and I explored it with my tongue, searching out her clit and licking and sucking for all I was worth occasionally having to stop as Mina worked so expertly on my cock. I didn't want to end too soon, so I asked Mina if she would ride me so that I could kiss her, play with her tits and just enjoy looking at this wonderful lady riding my cock. Again, she positioned herself to french kiss me, slipped on the condom and jumped on top. She put me in and it felt great. Then she motioned up and down, forward and backward and made me feel young again. We Kissed, I fondled and praised her energy. We then changed to doggy and again it was just fantastic. I entered her. Asked if a bit of spanking was ok and was told "go ahead I love it" So I did. Not too hard or rough just enough to see her bottom cheeks shudder and tell her how naughty she was. I remember telling her that I wasn't impressed that you lot out there had kept her a secret. This lady is good, very good and some of you have tried to keep her a secret. Well now the secret is out because she earned it and deserves this report. From doggy we moved to oral in front of the mirror with me

standing side on. I gave Mina a cushion to kneel on and then watched her devour my cock, making all the right moves and noises. That special noise when you're being taken deep and wet, ooh la la. Faster and faster until I came, Mina stopped but held the bell end of my cock in her mouth until she knew I was spent. We cleaned up and then lay on the bed for a cuddle that felt really special and genuine. We chatted and she told me a little about herself which was nice and I told her that there was only 1 thing wrong with her for me. She asked what it was and I told her straight. Her address! She should come and live with me! She is a lovely girl with a really caring personality and I do not hesitate to recommend her. Of course I'd love to keep her all to myself but this is her job, she does it extremely well because you don't feel like it's a business transaction, it's a wonderful girlfriend experience, delivered passionately with proper deep french kissing with her wonderful lips and tongue, great conversation and you leave with a beaming smile knowing that you're going to come back to see this lady again because she knows how to pleasure a man and make him feel good about himself after enjoying her wonderful body and company.
