### The Premises:

### The Lady:

Gorgeous girl next door type, beautiful face and smile, nice body, silky blonde hair.

### The Story:

I was over the moon when ella showed up as she looked perfect - total package as she's the gorgegepus blonde girl next door type that every man wants. She was dressed well and made the effort with some lacy black matching lingerie, they were so sexy I insisted she keep them on throughout. We gave each other massages, DFK and her OWO is fantastic. I had her in all sorts of positions, only shifting her lacy knickers to the side each time, sexy! Her body is incredible and enjoyed kissing and touching it all over. Afterwards we chatted over wine for the last 30 mins, she was so smart and impressed me with her knowledge of 4 languages! Four!! Definitely worth taking on a GFE next time to get to know her better.

The only negative was that her phone kept buzzing all the way through which was pretty off-putting. She could've turned it off for our punt at least, a little rude. Next time I'll insist on it.
