The Lady:

Absolutely stunning, just like the photos. A few have commented on how Suzi looks like Pamela Anderson and she really does! She was wearing sexy black underwear and very high heels. Lovely figure, flat stomach, hard ass and nice big, firm round breasts.

The Story:

Once inside Suzi guided me to the room, I asked if I could book 90 mins as she was so hot and obviously friendly, unfortunately 60mins is the maximum, I gave her the cash and she offered me a towel and a shower.

After a quick shower I returned to the room, put my boxers back on and lay on the bed waiting. I was waiting a few minutes but eventually beautiful Suzi came back in, slipped out of her underwear and climbed onto the bed next to me.

I asked her what her rules were, which was a bit tricky due to the language barrier but she said she only didn't like fingers inside unprotected sex or anal but everything else is ok. I asked about kissing and she said yes but no tongues, then she started kissing me with those lovely full lips, first my lips then my neck as my hands ran across her and we entwined our bodies - this was turning into a wonderful gfe.

I sat up on the side of the bed and Suzi stood in front of me as I felt her ass, legs and breasts, I then asked if I could taste her, she lay down and spread her legs while I got to work. Her tight, shaved pussy smelt clean and sweet and she responded well when my tongue made contact with her clit, gently moving backwards and forwards and pushing herself into my face as I felt her heels begin to push into my back signalling mento keep going.

After a few minutes, I turned her over and she raised her ass, inviting me to bury my face in it, her asshole looked so inviting but I decided I didn't want to make kissing me unpleasant and opted to kiss and fobdle her all over instead. Next it was my turn to lay back, I took off my boxers and Suzi began kissing me all overnas she gently stroked my cock, she put a condom on me and began

licking and sucking from the side, allowing her long blonde hair to tickle my balls - I was in heaven. As I looked down she really did look just like Pamela Anderson in her sex tape and all I could do was respond with noises of appreciation as she swapped between sucking and flicking her tongue across my shaft. Suzi also began pumping the base of my cock with her hand at the same time as sucking and licking the head, this was perfect, she was so gentle but firm and her stroke timing was a very sensual rhythm. Suzi's small perfectly manicured hands made my rock hard cock look enormous which added to the experience of a Baywatch babe sucking me off. I knew I was getting close so I asked Suzi to sit on my face, which she did taking me to orgasm in 69 as I was being smothered by that beautiful ass, she kept me in her mouth and carried on until she knew I was empty and then climbed off with a smile as we both admired the big load in the condom.

Suzi handed me tissues and wipes to clean up and left the room with the used rubber and came back a few minutes later. We had a nice chat and cuddled for a while until I asked for a massage which Suzi gave perfectly, before long I could feel my cock getting hard again and I turned over for Suzi to put another cover on. I sat on the edge of the bed and Suzi stood in lap dance position and lowered herself onto my cock as I lay back and enjoyed that sensation as I slipped my whole length inside her for the first time. As she grinded her ass on my length I sat forward to embrace her from behind and held her breasts with my left hand as my right moved down to feel her clit as she rocked on my cock. After a while we stood up, with me still inside and I fucked her from behind, as she leant on the massage table that was by the wall. Next we span round so she could get on the bed and I fucked this beauty in traditional doggy style for 5 minutes or so as she whimpered with pleasure, occasionally looking back at me over her shoulder. After a few minutes of this we moved into spoons and a wonderful cuddle as she carried on grinding on my length as if we were lovers.

After 10 mins or so I leant back and moved Suzi onto her back, without pulling my cock out, so she could raise her legs in the air whilst I kept pumping into her so I could run my hand across the length of her body whilst fucking her. Next was a very sensual missionary where we kissed and held each other as we fucked like boyfriend and girlfriend. We had been purely fucking for about 20 minutes and I was conscious of time as well as how this may become uncomfortable for her, I had slowed down as Suzi said it hurt a little when I put my full length in when her legs were right back so we agreed for her to finish me in her mouth.

We swapped out the condom for a new one and then Suzi got back to giving me the Pamela Anderson BJ experience interspersed with plenty of sucking and tickling my balls until I came heavily once more. She smiled at me and said "I try to give 100 percent" which I had to agree with.

A windy experience with a delightful and delicious lady
