### The Premises:

Flat Bayswater up a lot of stairs. Very complicated to get through the front door. OK once inside.

### The Lady:

It's the girl on the site. Young and very thin.

### The Story:

I don't know why I keep visiting this sort of girl, only to be disappointed once again. I guess I keep hoping it will be better. She opened the door wearing next to nothing, which is good, and I thought she was nice looking. She tried to speak English and seemed a nice enough person, so all good at the start.

Unfortunately once she got down to it she totally lacked any kind of passion or even sexiness. Very robotic.

We both undressed quickly and what followed was a totally soulless sexual episode. No question of a kiss, no pretence at enjoyment at my attention to her nipples. She just stood there and let me.

On to the bed and the advertised OWO was also not on the agenda. Can a blowjob be boring? I'm afraid so and I laid on my back wondering what the hell I was doing there, as her head bobbed up and down over the rubber covering my friend. Eventually I thought enough time wasted, and I got behind her and fucked her. I quickly got bored of that too, so came, got dressed and left. I was out in 30 mins.

She was not rude, did not have too much attitude, she looks like her photos and if you like them skinny and young then she's that. So I give her a neutral report, but don't expect any semblance of passion.
