### The Premises:

Nice quiet place in Baker Street area, not far from the tube. Clean apartment, comfortable with a good enough shower and fresh towels etc.

### The Lady:

Miki isn't far off her pictures to be fair. They've definitely been shopped a little, but it's the same girl. Her hair is a little longer. She's the right age, quite young, very pretty girl. She speaks quite good English and she's enthusiastic enough. Wasn't an awesome booking, but still good and worth it.

### The Story:

Miki's room has a mirror right over the bed and it's lovely to watch when you get to the action. She was dressed in a nice little pair of panties and matching bra for me when I arrived. Pleased to see me, and very welcoming. The booking was pretty standard really, but there were some glowing moments. Like her OWO, which is pretty good to be fair. She positioned herself in front of me on all fours on the bed with her ass in the mirror. I could see her head moving up and down on my cock and her beautiful ass. I should say that she has a lovely body by the way. Slim, firm and toned.

It was nice starting in this position because it allowed me to turn her around to face the mirror and get a good look at her face after she covered the old chap up. As I pushed into her I could see her expression. It was a little too much for her at times because I'm quite long, so I switched it around to missionary and cowgirl, so she could control the action. Went for some time in cowgirl before I got myself all tired I'm afraid and this necessitated Miki to finish me off with her mouth and a nice handjob.

A lovely girl. Not too chatty, but very nice. Would recommend
