The Premises:

The place is a few minutes walk from Pimlico tube station and very discreet. It is nice and clean, as I would expect from any House of Divine venue, and I had a shower before I met Helen. I was offered a drink by the maid after my shower. The maid was lovely and communication between her and me before I got there was very good.

The Lady:

Helen is a beautiful tall, leggy natural redhead from Estonia. She has gorgeous natural breasts, a lovely shaved pussy and a fantastic bum. Her English is perfect and she has a wonderful smile.

The Story:

Helen entered the room and gave me a kiss on the lips and after the money was exchanged, we laid on the bed and she took her bra off revealing those gorgeous breasts of hers. She began kissing my nipples nice and gently before I then asked if she would suck my cock. Her OWO was superb and at my request she planted little kisses on my cock. After a few minutes of a sublime blow job, I asked if we could 69 and she said yes. This was lovely and I could have stayed there for ages but wary of the time, it was on with the condom and onto some slow, lovely sex. Helen is not the type to make loud noises during sex and is the quiet, gentle type I like. We only had sex in the missionary position as I just loved being on top of her and seeing her exceptionally pretty face in front of me. During sex she pinched my nipples and that was a real turn on. Unfortunately time was nearly up and I didn't cum. This was in no way Helen's fault. I sometimes find it hard to cum in just half an hour and it's more of a compliment to Helen that I didn't come as I wanted to carry on with her for so much longer, it was that good!

After we had finished and were getting dressed, it was nice to have a conversation with Helen about music and we seemed to like a lot of the same things. I can't recommend Helen highly enough. She is a warm, intelligent girl and I look forward to seeing her again in the future. Another House of Divine gem.
