### The Premises:

### The Lady:

beautiful blonde girl, typical Russian and eastern European ethnicity she matched quite well the photos that were put up she is not too busty neither too skinny and looks around her 22's

### The Story:

I was quite happy with the time I spent with Tiffany she is a wonderful girl very gentle and kind and she really does make the most out of the time we spent together it was my first time with her but I felt very relaxed and welcomed by her we got to bond a little and things went smoothly naturally I was very happy with her looks too despite her looking a bit skinny on the photos personally it was quite better than expected.
