### The Premises:

A modern sixth floor flat in a complex of blocks about a 10 minute walk from Lewisham Station and just around the corner from Deptford Bridge DLR station. It had a very discreet buzzer entry. Then flat was very clean inside.

### The Lady:

Not the girl profiled hence the neutral review. The girl I saw was a dress size 12 with dark hair. She was, however, very friendly.

### The Story:

This was a bit of an impulse punt. I was very relaxed and was happily playing with Belmira's ample, natural breasts. When laying down she applied the condom with her mouth and proceeded to give me very pleasant covered oral. I was enjoying it that much that I decided to go with it. She really worked hard to get me off and it was lovely.
