The Lady:

Krystal, is tall, slim, and even just in high heels and her underwear she exudes an aura of sophistication. post orgasm, I learned the air of sophistication deserved. Not only is she an attractive young woman (mid 20's) she is multilingual, and had travelled to the same places as me, Milan, Paris, Barcelona, Madrid and Reykjavik. Good brain matched by long legs, sensual lips, and fine books.

The Story:

The maid opened the front door and as I entered, sitting on a bar stool in front of me was Krystal, wearing a big smile and her underwear. I knew immediately this was going to be a good punt. It turned out to be an excellent booking.

Lots of passionate French kissing, oral with, great skills, and unusually (for me) I suggested 69, wow! What a fantastic sight. Her gently curved back, arched bum, and pretty pussy. Cowgirl, missionary(when she talked dirty - which she did very well), and all finished of by a massage. Interesting to chat to, really friendly, and great sex. The complete escort. Really recommend her.
