Details of Service Provider:

Profile Name: 24/7 Babylon Girls London Escorts Agency

Website: <https://www.babylongirls.co.uk/>

Phone: 07919077777

The Premises:

3rd floor flat in a building about a block or two away from the tube station. No shower (or at least wasn't offered one). No lift. Barebones room; essentially just a bed, nightstand, and her wardrobe. Another bedroom occupied by her coworker.

The Lady:

I found her quite attractive. Go by the selfie rather than the agency photos for face. Body is as in photos. Skin tone a little darker than what is in photos (which was a plus for me actually as I like Latin-ish skin tones). Fluent in English but with an accent, which didn't impact understanding at all.

The Story:

I am writing this review from the perspective of someone who has never hired an escort. This was my first of 3 hires in a weeks' timespan, so had no idea what to expect going in.

After reaching out to a few agencies and only Babylon returning my emails, I decided to use them for all my booking needs throughout my trip. They have a large selection to choose from, and were mostly quick in responding to emails (usually within an hour and a half or so). My only negative about Babylon is they don't keep a services list for the girls, or at least I was unsuccessful in finding it. That would make selection a bit easier.

Chose Sky even though she didn't have any reviews here. Her body pics made it too hard to resist. She had one review on the agency website but you never know who is writing those. It was positive so I took the chance. Upon arriving I found that I made a good choice looks-wise, as her face was attractive and her assets were as presented in the pictures.

After pleasantries and funds were exchanged, things started. On other websites, she lists OWO as a service but that only lasted about 5 strokes before the condom went on and she continued going. Not sure why...I'm a clean person and took a shower just before arrival. I didn't ask her to remove it, as again, this was my first time and wasn't sure how this all works. She asked how I wanted to start and I clarified that I wanted to get round 1 out of the way before actual sex. She obliged and accepted Russian w/COB...yay!

Talked for a while about various topics. She is easy to talk to, even with my shyness around women. Eventually round 2 started and was completed via various positions.

Sky is attractive and I had a good time, but more experienced punters may want to verify services offered if they are looking for something in particular. Don't let my caveats deter you unless that is specifically what you are looking for.
