The Lady:

Oh dear! Chose Joanne for her lovely face but unfortunately the body did not live up to expectations. Saggy smallish tits (large nipples though) and a very flabby stomach. Longish labia helped make up a little for the disappointment.

The Story:

This is one Chucks hide outs apparently when that ghastly C doesn't come across with the goods. Not an experience I wish to repeat with this young lady, though there were plenty of other good looking totty in attendance to choose from in future. A good scrub down in the bath to start with followed by a quick massage. On to the bj then a little of the old reverse. Didn't want the digits up inside and fake moans as the todger penetrated her. Jacked of over her minge to end the boredom. Tried to get her to piss on my dick but she couldnt.

Had to slink off back to the shack and screw the memsahib although she was half asleep as well. I am sure Andy must have some better totty he uses, must get Jeeves to hack his comp tomorrow.
