Profile Name: 24/7 Babylon Girls London Escorts Agency

Website: <https://www.babylongirls.co.uk/>

Phone: 07919077777

The Premises:

Top floor flat in apartment block in Bayswater. Basic but functional with all the usuals like shower facilities and mirror in the room so you can watch yourself in action if that way inclined.

The Lady:

Ebru is very young, early 20's, from Romania (advertised as Eastern European on agency site), bit more chunky than the normal agency girls but very bubbly and looking to have a good time. She looks after herself so clean, shaven, smells great etc.

The Story:

This was one of those punts where you look back and realise you were too drunk... and therefore probably would have done better going home than going punting... I was beyond the point of being able to stitch 3 sentences together so had no energy and therefore she had to do all the work (which is not normally how I prefer to play these sessions).

Anyway - why I recommend Ebru:

She's got tons of spunk, very energetic and dedicated to ensure a positive outcome, regardless of how unresponsive you are (I'm referring to the boozed up version of myself in third person here...). She does great oral and does a mean rodeo on top. For those of you into skinny girls - best give her a miss since she is more a +size version. But she knows what she is doing and has an infectious smile and personality.
