The Premises:

Standard Bayswater flat used by so many of the agency girls - easy to find, has all the amenities you expect and works well for the intended purpose

The Lady:

Lulu is a very hot Romanian girl. Her pics are not enhanced - what you see on agency webpage is what you get in real life. She has really long hair which is quite unique and a darker skin tone which makes her look tanned. She's in great nick - slim and perky boobs.

The Story:

Lulu was really hot and as soon as I saw her I was really looking forward to having some fun. But the rules and lack of excitement on her part was a bit of a killer for me during the punt... Rules in this context was the list of things that you are not allowed to do. I'm used to those as part of every encounter, but not used to getting a lecture before the action starts.

Also despite DFK and OWO advertised, these were not on offer - turned into no FK and oral which was little bit underwhelming.

All in all a bit too lackluster for my liking. The girl is a babe so it was a shame the action didn't live up to my expectation going in.
