The Premises:

Nice one bedroom flat in Canary Wharf - close to South Quay station and short walk from Canary Wharf station. All the normal features in flat including shower facilities on offer before and after

The Lady:

HOT! She is VERY sexy - great rack and really fit. Very nice features and beautiful face.

The Story:

SweetRoseThai or Rose clearly has a standard formula she follows for punts. We started with a fantastic massage - seriously fantastic. Proper Thai massage - not the basic rub down you get from the European girls normally. Massage starts with your back and after 20mins it's flipping over and massage to front. This then leads to proper body 2 body action - which inevitably leads to your rod looking like the Eiffel Tower. After body2body action the covers is applied and she gets on top for a bit of rodeo action. In my case, rodeo lasted about 5 mins before a very intense climax (the massage helps to build the anticipation which means you are bound to have an explosion eruption like I did).

Rose is tight, hot and fit - so when she mounts you, you literally lie back and admire a cracking view without having to put in any effort.

She is in Thailand during December and back again in January, and I've now got her on my hotlist and will revisit this experience in the new year.

Last thing: I'm generally an agency type of guy since I don't like the fact that AW and Vivastreet can be a lottery when it comes to punting. Rose came recommended and I can wholeheartedly vouch for her. Very highly recommended!
