### The Premises:

### The Lady:

Blonde tall quiet beautiful she is around her 20's matches the photos quite well and looks like Russian ethnicity

### The Story:

Glafira came around my place at 2 am I saw her personally she matched the photos quite well, the time we spent together it was good it wasn't the best I've had but it was more than enough to make me relax a little after a long night she was a good companion after all I have nothing to complain about that.
