The Story:

After long periods away, I finally got back to the UK (just in time for breksit...)

Business was busy, but I found some time to research escort-sites. I figured Fankie @ nightbutterflies might float my boat, and I was So Right.

Fankie is Lovely: Truly cute, Confident, Bubbly.

She arrived on time and we had no problem meeting downstairs.

In the room she quickly changed into the most stunning, very classy dress, and it was clear that th pictures were correct: This girl has a Stunning Figure, she knows it, but she is not arrogant about it at all. Her attitude is acutally quite relaxed and friendly, she is very communicative, and seems to adjust very easily to various circustances.

Bedroom activity was Also Excellent: She knows how to use that body and how to play a man. An Excellent bedpartner.

After the main activity, we had a good chat and a few cuddles.

Definitely a re-visit, and if you can arrange it: Frankie is worth a trip to Liverpool!
