The Story:

Thanks to Ava have ticked my Kiwi box so to speak

As Hayley enabled me to do with my North American one

Anyway

In my defence it was my third punt of the day, after deleting myself the 'one in every HOD' challenge

It wasn't the balletic symphonic orgasmic delight I had with Nicola

Nor was it the raw lust I had with Alexa

And following those two was gonna be a hard act to follow

And she did her absolute best

She kept her knees high FMBs on throughout at my request

And did her best to entertain my silly willy

So oral all ways but no shags

Much to her disappointment

Top lady tho

Could be a lot of fun I think

If u looking for a big boobed blonde antipodean milf

B O O M
