The Story:

Third visit to Ego in as many months after years of toying with the idea (think I'm hooked!). Josie was fantastic during our time together, she started with me laid on my front, then I massaged Josie then back to it being my turn to be pampered.

All in all a wonderful experience that I cannot recommend enough. Josie knew exactly what to do and when to do it culminating in a very sensual climax.

Looking forward to my next visit!
