The Story:

I briefly met Jailyn a few years back when visiting Carla who was in the same apartment and was struck but how beautiful she was and what a fantastic bum, at that point Jailyn was put on my bucket list and I finally got around to meeting the lady for a one-to-one appointment.

She didn't disappoint, everything that is claimed is on offer was on offer and as soon as she came in the room I was all over her.

Half an hour before I'd been enjoying the pleasures of Ego Massage so I thought I could last the full 30 minutes with ease, having time to refuel. However, Jailyn was such a turn on I was amazed that I didn't even last 20 minutes before I was unloading into Jailyn's mouth.

It was a blur but it was fantastic, would highly recommend this lady who is sex on legs.
