The Story:

Seen Cindy quite a few times now, so thought I'd write a review on her.

Cindy is a kind pleasant young woman who has a penchant for making cock rock hard. She does this really well indeed, no problem at all.

Be very respectful and treat her gently and kind and she'll pay you back ten fold.

I enjoy eating Cindy's sweet tiny wet cunt hole no end, tastes lovely, nom nom nom... She plays the slut perfectly and is not shy or afraid of hard cock or spunk at all.

She knows how to open her long smooth legs good and wide and can take a good long hard fucking really well. Her cunt is nice and tight and will have you spunking hard in no time at all. She knows what you cum here for guys, and is good at letting you have it.

I could fuck this woman all day, and then some. She also knows how to suck cock very good indeed, and she gives a mean wank. She loves to wank cock and loves to see a spunking cock after a hard wanking. Make's her want to fuck seeing a spunking cock.

And she loves to fuck lads.

I know this is a dirty review, but Cindy is a dirty slutty girl, she loves it...

Build up some respect guys, treat her right and she will be your slut for you. Let her know what you want and have fun, she's fucking awesome this girl is XXXXXXXXXXXXX
